**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Stop oligopolies! This is criminal. You work for the people, not the corporate interests.

These big corporations get together in secret meetings and agree to raise prices at the same time, screwing everyone out of money. An oligopoly should be just as illegal as a monopoly, if not more so.

It's embarrassing that this is even an issue.

Please, don't let them take advantage of the citizens you're supposed to be helping. You're our voice. Protect us from them.
